

A person in a red shirt is seen from behind, standing on a balcony and looking out at a sprawling city skyline at night. The city is filled with numerous tall buildings, many of which are brightly lit with various colors of neon and lights. The scene is captured from a high vantage point, looking down and across the city. The overall atmosphere is one of a bustling, modern urban environment.

Technology and Society

<https://www.irsukhairul.com>

Are you ready to transform yourself to the new technology?

**Where do I start?
It's All Answered in this program**

8 Complete Modules – Useful for students that attending this course for Bachelor Degree in Electronic Engineering in local university

Topics inside this course:

1. History of Technology
2. Ethics of Technology
3. Energy and Technology
4. Ecology and Technology
5. Population and Technology
6. War and Technology
7. Health and Technology
8. Technology and the Third World
9. Technologies of the Future

Thank You
