NEW
CAMRY
= POWER²

TOYOTA
ALL ABOUT THE DRIVE

POWER² = COMMANDING STYLE

I am the **CAMRY 2.0**. The incredibly exhilarating 2.0 litre sedan.

I'M EXCEPTIONAL. Powered by an advanced 2.0 litre VVT-iW engine and D-4S technology for enhanced performance and extraordinary efficiency.

I'M INNOVATIVE. With bold, sporty styling, a luxuriously comfortable interior and excellent cabin quietness.

I'M POWER. All the power you'll ever desire.

HID Headlamps with LED Daytime Running Lights**

The High Intensity Discharge (HID) headlamps with integrated LED Daytime Running Lights (DRL) give the Camry 2.0 a characteristic look.

X Emblem*

An exclusive insignia for the Camry 2.0G X.

17" Alloy Wheels*

This 17" alloy wheel with a polish & black design enhances the sporty, stylish appearance.

Dual Exhaust System**

The Camry 2.0 has a dual exhaust system that truly enhances its sportiness.

2.0G X with optional aerokit

*2.0G X only
**2.0G X and 2.0E only

2.5 Hybrid

POWER² = SUAVE SOPHISTICATION.

I am the **CAMRY HYBRID**. The most formidable 2.5 litre sedan in its class.

I'M ADVANCED. Propelled by the cutting-edge Hybrid Synergy Drive for supreme performance and efficiency.

I'M SOPHISTICATED. With modern, prestigious styling, a truly sumptuous interior and excellent cabin quietness.

I'M POWER. All the power you'll ever need.

LED Headlamps with LED Daytime Running Lights and LED Fog Lamps**

LED (Light Emitting Diode) lamps, with Auto-levelling and Auto Light technology*, give the Camry Hybrid both the beauty of functionality and the sense of advanced technology.

17" Alloy Wheels*

The dark silver 17" alloy wheels give the Camry Hybrid a sleek, stylish appearance.

nanoe™ Ioniser*

Refreshing "Nanoe" ions (nano-sized electrostatic atomised water particles) help you stay more refreshed.

Combination Meter with 4.2-inch Multi-Information Display

The two-dial Optitron meter has a 3D embossed design, with illuminated clear blue background and white lettering for excellent clarity.

Electro Chromic Mirror* & Digital Video Recorder**

Enhance driving visibility at night with the Electro Chromic Mirror. The Digital Video Recorder serves as a personal recorder or as video evidence in the event of unforeseen mishaps.

Automatic Front Wipers with Rain Sensor*

Detects the volume of rain and adjusts the speed of the wipers for optimum visibility.

JBL Green Edge 12-speaker System*

The exciting 5.1 channel surround system and 12 JBL Green Edge speakers bring you an amazing, clear audio experience.

*2.5 Hybrid Luxury only **2.5 Hybrid Luxury and Hybrid Premium only

POWER² = LUXURIOUS COMFORT

The Camry's cabin interior combines the collective sense of high quality expected of a prestigious vehicle with modern sculptural design.

Everything has been tastefully enhanced, offering the luxurious sensation of comfort and complete control.

Shift Lever & Gear Lever Boot

The Shift Lever and Gear Lever are stylishly enclosed for that extra touch of exclusivity.

Mughal Wood Trim***

Mughal Teak woodgrain accents the dashboard for a new sense of modern luxuriousness.

8-way Powered Adjustable Seats*

Easily reachable switches allow minute adjustments to be made to the driver and front passenger seats.

Dark Brown Combination Smooth Leather Seats ***

Enjoy the luxuriously comfortable leather seats that set the 2.0G X apart.

Wireless Charger**

Qi-compatible cellular phones can be charged by simply placing them on the charging pad. An additional external receiver is needed for non-compatible phones.

Powered Back Window Sunshade*

This convenient sunshade has power controls, making it easy to provide shade for the rear seats.

Front Passenger Shoulder Switches*

Rear passengers can easily recline or slide the front passenger seat with these conveniently located switches.

*2.5 Hybrid Luxury, Hybrid Premium and 2.0G X only **2.5 Hybrid Luxury and 2.0G X only ***2.0G X only

2.0G X interior with DVD-AVN

POWER² = PIONEERING TECHNOLOGY

The Camry Hybrid is driven by Toyota's highly advanced Hybrid Synergy Drive (HSD), which pairs an efficient engine with two intelligent motors to give you immensely powerful performance and efficiency.

Total System Output (EEC Net):
205PS (151kW)

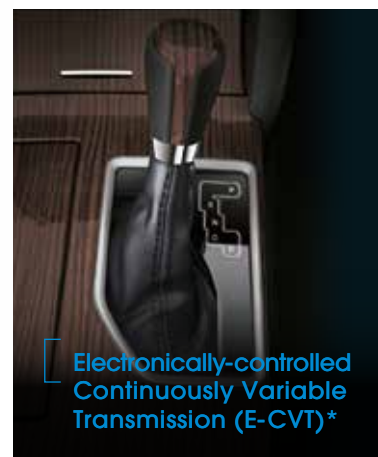

Engine Maximum Torque (EEC Net):
213Nm (21.7kg-m) / 4,500rpm

Motor Generator Maximum Torque:
270Nm (27.5kg-m)

Hybrid Synergy Drive (HSD) Engine & Performance*

The 2AR-FXE engine utilises the Atkinson cycle, which creates a high-expansion ratio with lower compression. This reduces intake and exhaust energy losses, which results in enhanced fuel efficiency with increased horsepower and torque.

Electronically-controlled Continuously Variable Transmission (E-CVT)*

ECO Mode / EV Mode switches*

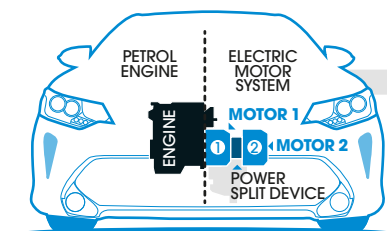

ECO mode dampens accelerator pedal response and reduces air conditioning power consumption in order to help enhance fuel economy.

EV drive mode uses only the electric motor, by using energy stored in the hybrid battery to drive the vehicle.

Energy Efficient Vehicle*

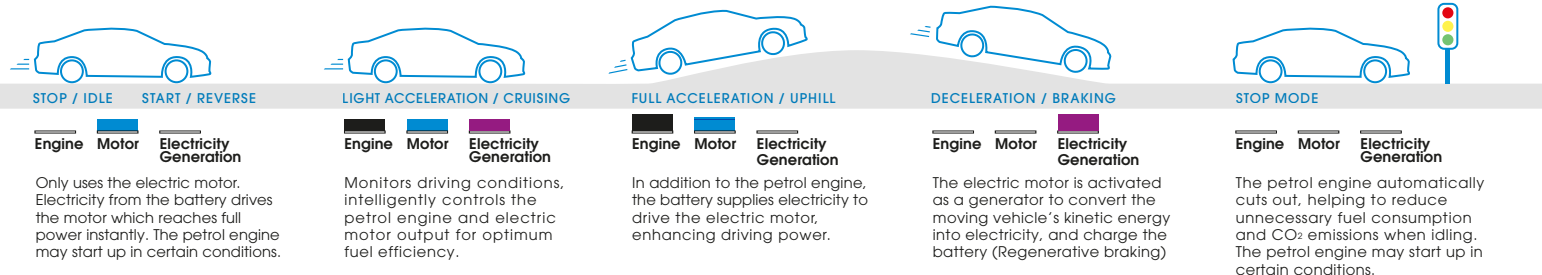

The Camry Hybrid has been endorsed by the government as an EEV (Energy Efficient Vehicle), the first in its class.

MOTOR 1 - MORE POWERFUL GENERATOR PERFORMANCE
Recharges the hybrid battery & acts as starter for the petrol engine.

MOTOR 2 - MORE POWERFUL DRIVE ASSIST

Recharges the hybrid battery through regenerative braking. It can drive the wheels independently, too!

*2.5 Hybrid Luxury and Hybrid Premium only

2.5 Hybrid

POWERFUL ACCELERATION
The advanced Full Hybrid technology provides satisfying driving performance.

FUEL EFFICIENCY
Hybrid Synergy Drive (HSD) is engineered for class-topping fuel savings.

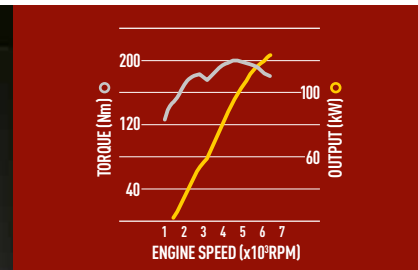

LOW EMISSIONS
HSD reduces the output of CO₂ and other harmful emissions.

QUIETNESS
The Camry Hybrid is whisper-quiet in EV mode, both inside and outside of the cabin.

POWER² = DYNAMIC PERFORMANCE

The Camry's exhilarating performance has been even further fine-tuned to reflect today's demand for power.

VVT-iW Engine with D-4S*

The VVT-iW (Variable Valve Timing-intelligent Wide) system provides high torque from low to high rpm ranges. It uses the Atkinson cycle to enhance fuel economy and the Otto cycle for power. The D-4S fuel injection system enables optimum combustion at all times by using both high pressure injection for the cylinders and low pressure injection for the ports, according to the driving situation.

Maximum Output (EEC Net):
167PS / **6,500**
(123kW) rpm

Maximum Torque (EEC Net):
199Nm / **4,600**
(20.3kg-m) rpm

6-speed Automatic Transmission with Super ECT*

Floor Under Covers
Beneath the car, under covers smoothen out the flow of air for handling stability and fuel economy.

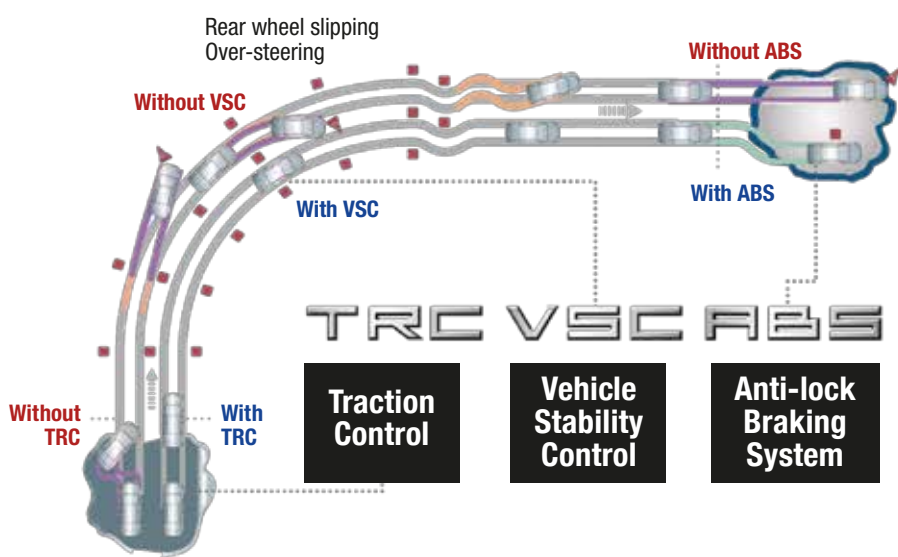

Aero-stabilising Fins
Aero-stabilising fins on the wing mirrors and rear combination lamps reduce drag by helping air flow smoothly around the vehicle.

2.0G X with optional aerokit

*2.0G X and 2.0E only

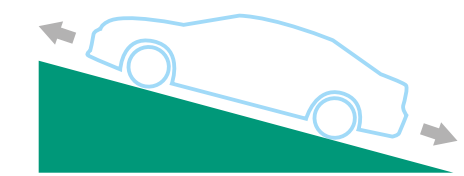

POWER² = INSPIRING CONFIDENCE

Vehicle Stability Control (VSC) And Traction Control (TRC)
VSC ensures vehicle stability when the car begins to skid, by helping the driver regain control of the vehicle in the event of understeer or oversteer. TRC detects wheel spin in the driven wheels on slippery road surfaces and automatically regulates braking force and engine power.

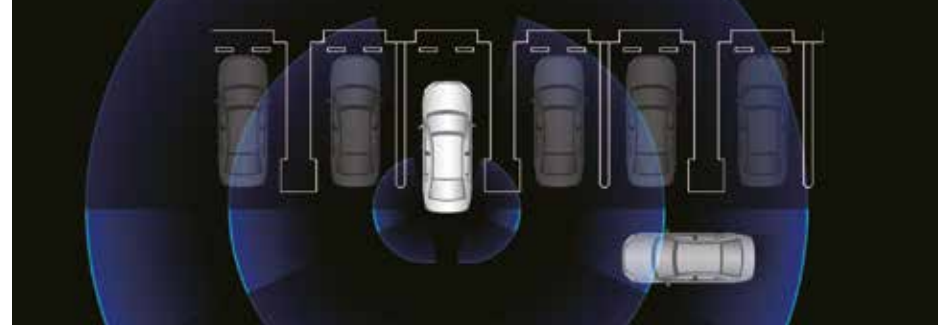

7 SRS Airbags
Dual front, side, curtain and driver's knee airbags provide complete protection for driver and passengers in the event of a collision.

Hill-start Assist Control (HAC)
Provides assistance when starting off on steep uphill sections by preventing the vehicle from rolling backwards.

Emergency Stop Signal (ESS)
In an emergency braking situation at speeds of over 55km/h, the hazard lamps flash to warn drivers behind.

Rear Cross Traffic Alert (RCTA)*
Detects and alerts the driver of oncoming vehicles when reversing.

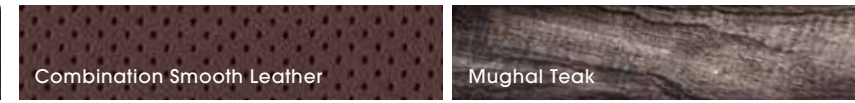

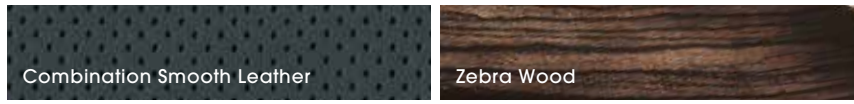

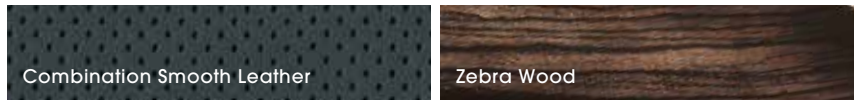

Blind Spot Monitor*
Alerts the driver of vehicles that are present in blind spots.

*2.5 Hybrid Luxury only

POWER² = EXCLUSIVE OPTIONS

Grey Metallic (1G3)
Medium Silver Metallic (1F8)
Attitude Black (218)
Silver Metallic (1D4)
White Pearl CS (070)

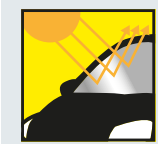

OPTIONAL ACCESSORIES

DVD-AVN (Audio-Video Navigation) System with Reverse Camera***
DVD Player with 8" Capacitive Touch Screen, Smartphone Connectivity*, WiFi, Internet Browser, Voice Recognition, HDMI, USB, Bluetooth®, Navigation & Reverse Camera with Guide Lines.
* Functions availability may vary depending on smartphones

Digital Video Recorder**
Always feel at ease thanks to the Digital Recorder that records every detail of your journey.

Toyota Premium Security & Solar Film**
Hinders break-ins and protects passengers from harmful UV and infra-red rays, and glare.

Optional for 2.0G X & 2.0E *Optional for Hybrid Premium, 2.0G X & 2.0E
