## Program Educational Objectives (PEO) Survey For 2014 Cohort

As part of our commitment to the continual quality improvement, we have proposed PROGRAMME EDUCATIONAL OBJECTIVES (PEO) for all of the Diploma in Mechanical Engineering study programme at the Malaysian Polytechnics. The new PEO's takes into consideration the needs of the Programme, Polytechnics, Industry and other stakeholders.

For your information, ABET describes "Program Educational Objectives" as broad statements that describe what graduates are expected to attain within a few years of graduation. Program educational objectives are based on the needs of the program's constituencies.
